

SPRING

Read the text and answer the questions.

Spring starts in March. During spring the days become longer. The sun warms the ground. Rain falls. Plants start to grow again. The grass turns green. Spring flowers push up out of the soil.

Leaves appear on trees. Some trees are covered with blossoms. The blossoms are pink or white or purple. They look pretty and smell nice. Spring is called the growing season.

- 1 When does spring start? _____
- 2 What colour is grass in spring? _____
- 3 What starts to grow in spring? _____
- 4 What appears on trees? _____
- 5 How is spring called? _____

Use a green pencil. Colour all the squares that spell each word given below.

The words go across and down.

Spring	Clouds	Sunshine	Daffodil	Snowdrop
Flowers	Field	Tree	Leaves	Grass

F	L	O	W	E	R	S	R	O	S
I	W	N	F	K	V	J	L	W	U
E	T	L	E	A	V	E	S	B	N
L	G	Z	G	U	O	R	W	C	S
D	A	F	F	O	D	I	L	L	H
H	Y	G	U	D	Z	X	M	O	I
T	S	R	Y	K	N	M	C	U	N
R	G	A	B	L	A	U	O	D	E
E	H	S	P	R	I	N	G	S	Y
E	T	S	N	O	W	D	R	O	P

Write these spring things in ABC order.

Flowers

snowdrop iris lilac tulip daffodil

Insects

fly ladybird bee ant wasp

Weather

rain wind clouds sun fog

Garden

blossom grass seeds lettuce radish

Birds

swallow robin lark bluebird magpie

Easter

candy rabbit egg basket holiday
